SIGNED ENGLISH COURSES

St Catharines - Summer 2010

HWCC is offering both Elementary and Advanced sign language courses in St. Catharines this summer.

ELEMENTARY- designed for friends and educators of young people using the Signed English manual system. This course is designed to teach a basic 500+ sign vocabulary to beginners and those with limited knowledge. Instruction is carefully paced and informal in order to accommodate various learning styles. A dictionary / textbook, *The Signed English Starter* from Gallaudet College, or *Signed English: A Basic Guide* from Three Rivers Press, will be provided and is included in the fee. Both these texts are exactly the same in content and differ only in title and cover. If you already have either version of this dictionary, you may deduct \$10 from the fee.

ADVANCED – designed for individuals who have taken the HWCC Elementary Signed English Course or equivalent - such eligibility to be at the instructor's discretion. This course introduces all the morphological markers along with additional vocabulary, public performance, and individual sign interpretation. The same text book is used as in the Elementary course.

Each course consists of ten sessions with an optional examination scheduled for the last date with Certificates of Achievement awarded to successful participants.
